THE NEW SEASON

In preparation for the 2002 touring season in the Rose Garden, we are asking you to complete the enclosed form providing us with, for Docents, both your normal touring schedule on the front, and your willingness to give additional time and effort during the Old Rose Symposium May 3-4-5 on the back.

Tuesday Volunteers have been provided with the Symposium form only.

We will need many hands to insure this upcoming event continues our usual high quality of interaction with the community. Please come and join us in the rewarding experience of being involved in a Huntington Rose Garden event.

Everyone, please be sure to include the contact information requested—even if you are sure we already have it.

Please return these completed forms to us by March 1, 2002. Touring in the Rose Garden will begin in early April, depending on the weather and the first blooming cycle. Rose Garden Calendars covering the April to December 2002 season will be distributed with the March – April *Subrosa*.

Thank you for your cooperation, all your hard work, and your commitment to the Rose Garden and to The Huntington.

Clair Martin, Curator

A TIME TO SAY THANK YOU

A time of new beginning is always a
 good time to stop and reflect on what
 has occurred in the past. I would,
 therefore, like to spend just a few
 minutes thanking all of you who give of
 yourselves so we may attain the goals
 we have for the Rose/Shakespeare
 gardens and for our organizations.

While there may be some differences in
 the amount of time each of you give,
 there are no differences in the
 commitments that each of you bring.

You have my deepest gratitude and my
 friendship.

Clair
